

# Poets' Corner

Poets' Corner is the redevelopment of the current civic centre on Station Road. It is the flagship project within Harrow Council's ambitious regeneration programme.

Please join us to view and discuss:

- 'Detailed Design' proposals for phase 1 of the development.
- How we have responded to feedback from the last events in March.
- Ideas about the look and feel of the buildings, and how this creates a distinct character for a new urban quarter in Wealdstone.
- Progress on plans for the public realm and landscape.

Can't attend? We want to make sure that everyone who is interested in this project has the opportunity to comment. Contact [regeneration@harrow.gov.uk](mailto:regeneration@harrow.gov.uk) with any questions, to join the mailing list or to email your feedback.
